

GEORGIA JUNIOR RODEO ASSOCIATION

OFFICIAL FIREARM FUNDRAISER RAFFLE RULES

1. SPONSOR

The firearm raffles are conducted by the **Georgia Junior Rodeo Association (“GJRA”)** as fundraising activities for the organization.

The raffles will be conducted in accordance with applicable federal, Georgia, and local laws and GJRA’s applicable raffle license.

2. SEPARATE RAFFLES

GJRA will conduct two separate firearm raffle drawings:

Handgun Raffle

- Ticket Price: **\$10 per entry**
- Prize: One handgun as specifically identified in GJRA’s raffle advertising.

Rifle Raffle

- Ticket Price: **\$25 per entry or \$100 for 5 tickets.**
- Prize: One rifle as specifically identified in GJRA’s raffle advertising.

Purchasing an entry in one raffle does **not** provide an entry into the other raffle.

Each valid ticket represents one chance in the raffle for which it was purchased.

3. ELIGIBILITY TO ENTER

Participants must be **21 years of age or older** to purchase or hold a raffle ticket under these Official Rules.

The ability to purchase a raffle ticket or be selected in the drawing does not establish that an individual is legally eligible to receive the firearm.

All federal, state, and local requirements applicable to the transfer and possession of the firearm must be satisfied before the prize will be transferred.

4. FIREARM OWNERSHIP

The firearms being offered as raffle prizes are being made available to GJRA for purposes of these raffles by their lawful owners.

The firearms are not represented as being owned by GJRA unless otherwise expressly stated.

The firearm owners have agreed to make the firearms available as the advertised raffle prizes and to cooperate with GJRA and the designated Federal Firearms Licensee (“FFL”) in completing the lawful transfer to the eligible winners.

5. ENTRY INFORMATION

Each participant must provide accurate information sufficient for GJRA to identify and contact the participant, which may include:

- Full legal name
- Telephone number
- Email address
- Mailing address
- Age/eligibility acknowledgment
- Raffle selected
- Number of entries purchased

Participants are responsible for providing accurate contact information.

6. ONLINE SALES

Online raffle entries will be accepted only to the extent authorized by GJRA’s applicable raffle license and applicable Georgia law.

The GJRA will directly control and operate the raffle and maintain the official participant and ticket records.

Any online payment or recordkeeping service utilized by GJRA is used solely to facilitate payment processing or administrative recordkeeping and does not operate or control the raffle.

7. TICKET NUMBERS

Each valid paid entry will be assigned a unique raffle entry or ticket number.

GJRA’s official raffle records will control in the event of a discrepancy between a participant’s confirmation and GJRA’s records.

8. DRAWING

Will take place at the Murray County Saddle Club as a part of one of our rodeos during our 2026-2027 season. Drawing dates are subject to change.

Handgun Drawing date: November 14, 2026

Rifle Drawing date: June 12, 2027

A winner for each firearm will be selected at random from the eligible entries received for that specific raffle.

The **handgun and rifle will have separate drawings.**

The winner does not have to be present at the drawing unless otherwise announced before ticket sales begin.

GJRA will attempt to contact each selected winner using the contact information provided with the winning entry.

9. WINNER VERIFICATION

A person selected in the drawing is considered a **potential winner** until eligibility and the lawful firearm-transfer requirements have been completed.

A winning ticket cannot be sold or transferred after the drawing for the purpose of allowing another individual to receive the firearm.

10. FFL TRANSFER REQUIRED

GJRA requires each firearm prize to be transferred through a **Federal Firearms Licensee (FFL)**.

The selected winner must:

- Provide acceptable identification
- Complete all documentation required by the FFL
- Complete ATF Form 4473 when required
- Undergo and successfully satisfy the applicable background-check requirements
- Meet all applicable federal, state, and local requirements for receipt and possession of the firearm.

The firearm will not be released until the FFL determines that the transfer may lawfully proceed.

11. HANDGUN

The winner of the handgun must satisfy all legal requirements applicable to receiving a handgun from the transferring FFL.

If the winner cannot legally receive the handgun directly from the designated Georgia FFL because of residency or other legal requirements, any permitted interstate transfer must be completed through an appropriate FFL in the winner's state of residence.

The winner is responsible for satisfying all laws applicable in the winner's state of residence.

12. RIFLE

The rifle will also be transferred through an FFL.

Any transfer to a person residing outside Georgia must comply with applicable federal law and the laws of Georgia and the winner's state of residence.

13. FAILED OR DENIED TRANSFER

Selection as a winner does not guarantee that the firearm can legally be transferred to that person.

If a selected winner:

- Is prohibited from possessing the firearm;
- Is denied the firearm transfer;
- Fails to complete the required transfer procedure;
- Provides false information;
- Cannot legally receive the firearm; or
- Otherwise fails to satisfy these Official Rules,

the firearm will **not** be transferred to that individual.

GJRA may disqualify that individual and conduct a random drawing for an alternate winner from the remaining eligible entries for that raffle.

No cash payment will be made in place of the firearm because a selected winner is unable to legally receive it unless GJRA expressly announces a cash-alternative policy before ticket sales begin.

14. NO SUBSTITUTE TRANSFEREE

The selected winner may not circumvent firearm-transfer requirements by directing another person to complete the firearm paperwork or background check on the winner's behalf.

The person receiving the firearm must be the lawful transferee as determined by the transferring FFL.

15. FFL, SHIPPING AND TRANSFER FEES

Standard local FFL transfer fees will be paid by the Winner of the drawing.

If additional shipping or FFL fees are necessary because of the winner's residency or requested transfer location, those additional expenses will be paid by the Winner as well.

16. REFUNDS

Raffle ticket purchases are final except where a refund is required by law or GJRA cancels the applicable raffle.

A participant who is subsequently determined to be legally ineligible to receive the firearm is not automatically entitled to a refund.

Participants are responsible for determining their eligibility before entering.

17. TAXES

The winner is responsible for any applicable federal, state, or local taxes or reporting obligations resulting from receipt of the prize.

18. RECORDKEEPING

GJRA will maintain raffle records as required by applicable Georgia law and its raffle license.

19. CANCELLATION OR MODIFICATION

GJRA reserves the right to postpone, cancel, suspend, or modify a raffle when reasonably necessary to comply with applicable law, requirements of the licensing authority, circumstances affecting the availability of the advertised firearm, or circumstances beyond GJRA's reasonable control.

Any material change will be handled in a manner consistent with applicable law and GJRA's raffle license.

20. ACKNOWLEDGMENT

By purchasing a raffle ticket, the participant acknowledges that the participant has read and agrees to these Official Rules.

The participant further acknowledges that:

Winning the raffle does not guarantee that the participant is legally eligible to receive the firearm. All required firearm-transfer procedures must be successfully completed before possession of the firearm will be transferred.

TOP TICKET SELLER INCENTIVE

The GJRA member credited with selling the highest total dollar amount of eligible raffle tickets will receive an incentive equal to **50% of the total raffle ticket sales credited to that member.**

Only completed and paid raffle sales properly credited to the member will count toward the incentive. Refunded, canceled, unpaid, or otherwise invalid entries will not count. In the event of a tie, GJRA will determine the award according to the Official Raffle Rules.
